

January 2012

Thank you for registering your child for the 2012-2013 school year. ***Please read the following instructions carefully, as your child's placement depends upon properly fulfilling registration requirements!***

Our lottery style registration for new families will start Saturday January 7<sup>th</sup>. The lottery will be held on January 21<sup>st</sup> and you will be notified via phone call/email of our child's placement. Registration after this date will be first come - first serve depending on openings. The enclosed application form must be filled out in its entirety and returned with a \$50 non-refundable registration fee. ***Your child will not be registered if the form is incomplete or if the form and/or fee are not received by the deadline.*** The class selection should include a first and second choice. If your first choice is filled and you do not provide an alternate choice, your child will not be enrolled but will be placed on the waiting list for the class you selected. You should base your class selection upon the day and time of the class rather than based upon the teacher, as the teacher is subject to change.

The application and registration fee may be mailed to the PO Box listed below.
